These children are role models for us all. They show us that no matter our age or circumstances, we can all make a positive impact on the world.

Their stories will inspire you to believe in yourself and your ability to make a difference.

### **Meet Some of the Amazing Kids Featured in the Book:**

- **Ruby Bridges** was only six years old when she became one of the first African American children to attend an all-white school in the South. Despite the threats and violence she faced, Ruby remained determined to learn and make a difference in the world.
- **Ryan Hreljac** was nine years old when he started the Ryan's Well Foundation, a non-profit organization that provides clean water to people in need. Ryan has raised millions of dollars and helped to build over 1,000 wells in Africa.
- **Autumn Peltier** is a 15-year-old water activist who has spoken out at the United Nations about the importance of clean water. Autumn is a passionate advocate for protecting the environment and inspiring others to take action.
- **Mikaila Ulmer** is a 14-year-old entrepreneur who founded Bee Sweet Lemonade, a company that sells lemonade made with honey. Mikaila donates a portion of her profits to help save honeybees.
- **Braylon Silcott** is a 12-year-old inventor who created a device called the "iWalk" to help people with disabilities walk. Braylon's invention has helped people all over the world to live more independent lives.

These are just a few of the amazing kids featured in *50 Impressive Kids And Their Amazing And True Stories*. Their stories are sure to inspire you and your children to make a difference in the world.
