In *Both Sides of the Mirror*, a young woman named Alice finds herself trapped in a world of her own making. After a traumatic event, she retreats into a life of isolation, haunted by visions and memories that she can't seem to escape.

As Alice's grip on reality begins to slip, she starts to suspect that someone is watching her. She sees shadows lurking in the darkness, hears whispers in the wind, and feels a constant sense of dread.

As the line between reality and illusion blurs, Alice begins to question everything she knows. Is she really safe? Is she really alone? Or is she trapped in a world of her own making?

With its taut plot, suspenseful atmosphere, and complex characters, *Both Sides of the Mirror* is a psychological thriller that will keep you on the edge of your seat from beginning to end.
