A Tale of Discovery and Self-Reliance

Through lively prose and breathtaking photography, "Taking On the Planet by Bike and Boat" immerses readers in the challenges and triumphs of Tom and Liv's remarkable journey. From navigating through treacherous mountain passes to facing the vastness of the open sea, their account is a testament to the power of determination and the unyielding human spirit.

A Journey of Breathtaking Landscapes and Unforgettable Encounters

The book transports readers to some of the most remote and awe-inspiring corners of the globe. From the rugged peaks of the Himalayas to the pristine waters of the Pacific Ocean, Tom and Liv's adventure offers a unique perspective on the beauty and diversity of our planet. Along the way, they encounter a cast of colorful characters who enrich their experiences and provide a deeper understanding of the human condition.

A Story of Resilience and Environmental Consciousness

"Taking On the Planet by Bike and Boat" is not only an adventure story but also a powerful reminder of the importance of environmental stewardship. Tom and Liv's journey highlights the fragility of our planet and the urgent need to take action to preserve its wonders for generations to come. Their

experiences offer valuable insights into the impact of human activities on the environment and inspire readers to make more sustainable choices in their daily lives.

A Must-Read for Adventure Seekers and Nature Enthusiasts

Whether you're an avid cyclist, a sailing enthusiast, or simply someone who loves to explore the unknown, "Taking On the Planet by Bike and Boat" is a must-read. Tom and Liv's extraordinary adventure will captivate your imagination, ignite your wanderlust, and leave you with a renewed appreciation for the wonders of the world we live in.

Praise for "Taking On the Planet by Bike and Boat"

"An unforgettable account of adventure, discovery, and the indomitable spirit that drives us to explore the unknown." – National Geographic

"A captivating and thought-provoking book that showcases the power of human endurance and the importance of environmental stewardship." – The New York Times

"A thrilling and inspiring tale that will stay with you long after you finish reading it." – BBC Travel
