About the Book

This sumptuous volume presents a comprehensive overview of the work of Giovanni Boldini, one of the most acclaimed artists of the Belle Époque. Known for his elegant and sophisticated portraits of society's elite, Boldini captured the glamour and allure of Paris in the late 19th and early 20th centuries.

Featuring over 200 full-color reproductions of Boldini's finest drawings and paintings, this book provides an intimate look at the artist's creative process. Each work is accompanied by detailed annotations that explore its historical context, artistic influences, and technical execution.

With contributions from leading art historians and curators, this book is an essential resource for anyone interested in the art of Giovanni Boldini or the Belle Époque era.

- Over 200 full-color reproductions of Boldini's finest drawings and paintings
- Detailed annotations that explore the historical context, artistic influences, and technical execution of each work
- Contributions from leading art historians and curators

- A comprehensive overview of Boldini's career and artistic style
- A must-have for anyone interested in the art of Giovanni Boldini or the Belle Époque era
