

How to Draw Polar Animals in Simple Steps: A Comprehensive Guide for Aspiring Artists

Welcome to the captivating world of polar animal drawing! Whether you're a seasoned artist or just starting out on your artistic journey, this comprehensive guide will equip you with the essential skills to capture the beauty and majesty of these incredible creatures in your sketchbook.

1. Step 1: Sketch the Basic Shape

Start with a simple oval for the head and a larger oval for the body. Add two lines for the legs and a curved line for the tail.

2. Step 2: Refine the Proportions

Draw a smaller circle inside the head oval for the snout. Lengthen the legs and make the tail slightly thicker.
