Anne Heltzel was just a baby when she was adopted by a loving family. But she always knew that she had another mother out there somewhere. For years, she searched for her birth mother, but she could never find her.

One day, Anne received a letter from a woman who claimed to be her birth mother. Anne was overjoyed. She had finally found the mother she had been searching for her entire life.

Anne and her birth mother, Susan, met for the first time in a coffee shop. They talked for hours, and Anne learned about Susan's life and why she had given her up for adoption.

Anne and Susan quickly bonded, and they began to build a relationship. They talked on the phone every day, and they visited each other as often as they could.

But their relationship was not without its challenges. Susan had her own family, and Anne had her own life. They both had to learn to adjust to having each other in their lives.

Despite the challenges, Anne and Susan's relationship grew stronger over time. They became best friends, and they were there for each other through thick and thin.

Just Like Mother is a heartwarming story of a family reunited through adoption. It is a story of love, loss, and hope that will stay with you long after you finish reading it.
