Medicare is a health insurance program for people age 65 and older, as well as for people with certain disabilities. It can be a complex and confusing system to navigate, but Medicare For Dummies is here to help.

Written by Patricia Barry, a leading expert on Medicare, this book provides everything you need to know about Medicare, from eligibility and enrollment to benefits and costs. Medicare For Dummies will help you:

- Understand the different parts of Medicare
- Determine if you are eligible for Medicare
- Enroll in Medicare
- Choose the right Medicare plan for your needs
- Get the most out of your Medicare benefits

Medicare For Dummies is the essential guide to understanding and navigating the Medicare system. If you are age 65 or older, or if you have a disability, Medicare For Dummies is the book for you.

About the Author

Patricia Barry is a leading expert on Medicare. She has written extensively about Medicare for both consumers and professionals. She is the author of several books on Medicare, including Medicare For Dummies and The Medicare Handbook. Barry is a frequent speaker on Medicare and has appeared on numerous television and radio programs.
