After years of trying to conceive, Sharmaine and her husband were finally diagnosed with unexplained infertility. This devastating news sent them on a rollercoaster of emotions, from grief and despair to hope and determination.

Sharmaine embarked on a quest to understand the causes of her infertility and to find a way to fulfill her dream of becoming a mother. She underwent countless medical tests, fertility treatments, and emotional upheavals.

Through it all, Sharmaine never gave up hope. She refused to let infertility define her or rob her of her dreams. Instead, she found strength and support in her husband, her family, and her friends.

Motherhoodwinked is a story of love, loss, hope, and redemption. It is a story that will resonate with anyone who has ever struggled with infertility or the challenges of family planning.

In this powerful and moving memoir, Sharmaine Lovegrove shares her insights into the emotional and physical tolls of infertility. She also offers hope and inspiration to those who are on their own journeys to find meaning in motherhood.
