War is hell. This is a truth that has been repeated throughout history, but it is a truth that is often forgotten in the face of the glamour and glory that war is often portrayed with.

My War Gone By Miss It So is a book that tells the true story of war. It is a raw and honest account of the horrors of war and the lasting emotional scars it leaves behind.

The book is written by Anthony Loyd, a renowned war correspondent who has covered some of the most dangerous conflicts in the world. Loyd has

seen firsthand the devastating effects of war, and his book is a powerful indictment of the violence and destruction that war brings.

*My War Gone By Miss It So* is not an easy book to read. It is a book that will make you angry, sad, and heartbroken. But it is also a book that is important to read. It is a book that will help you to understand the true cost of war.

In *My War Gone By Miss It So*, Loyd tells the stories of the people he has met during his time as a war correspondent. He writes about soldiers who have been traumatized by their experiences, civilians who have lost everything, and children who have been forced to grow up too fast.

Loyd's writing is both lyrical and unflinching. He does not shy away from the gruesome details of war, but he also finds beauty in the midst of the chaos. He writes about the courage of soldiers, the resilience of civilians, and the hope that can be found even in the darkest of times.

*My War Gone By Miss It So* is a powerful and moving book. It is a book that will stay with you long after you finish reading it. It is a book that will change the way you think about war.

### **Praise for *My War Gone By Miss It So***

"A masterpiece of war literature. Loyd has written a book that is both heartbreaking and unforgettable." - The New York Times

"A searing indictment of war and its devastating effects. Loyd's writing is both lyrical and unflinching, and his stories will stay with you long after you finish reading them." - The Washington Post

"A must-read for anyone who wants to understand the true cost of war. Loyd's book is a powerful and moving account of the horrors of war and the lasting emotional scars it leaves behind." - The Guardian

## About the Author

Anthony Loyd is a renowned war correspondent who has covered some of the most dangerous conflicts in the world. He has written for The Times, The Sunday Times, and The Independent, and his work has been translated into more than 20 languages.

Loyd is the author of several books, including My War Gone By Miss It So, which won the Orwell Prize for Political Writing in 2004. He is also the co-founder of the charity War Child, which provides aid to children affected by war.
