

# Navigating Medicare Prescription Drug Coverage: Your Essential Guide

Medicare Part D is the Medicare prescription drug benefit. It's a voluntary program that helps you cover the costs of your prescription medications. "Medicare Prescription Drug Coverage For Dummies" demystifies Part D, explaining its key features, eligibility criteria, and enrollment process.

The book guides you through the maze of Medicare drug plans available, including:

- **Stand-alone prescription drug plans (PDPs)**
- **Medicare Advantage plans with prescription drug coverage (MAPDs)**
- **Employer or union-sponsored retiree coverage**

Explore the pros and cons of each option, enabling you to choose the plan that best meets your needs and budget.
