Whipple, a veteran journalist and author, spent years traveling throughout Russia, from the bustling streets of Moscow to the remote villages of Siberia. He talked to people from all walks of life, from government officials to ordinary citizens, and he gained a unique perspective on the country's complex history, culture, and politics.

In *Putin Country*, Whipple paints a vivid portrait of a country that is both vibrant and contradictory. He describes the beauty of the Russian countryside, the warmth of the Russian people, and the resilience of the Russian spirit. But he also confronts the challenges that Russia faces, including corruption, poverty, and a lack of political freedom.

At the center of Putin Country is Vladimir Putin, Russia's enigmatic president. Whipple provides a nuanced and insightful portrait of Putin, a man who has both been praised and vilified. He explores Putin's rise to power, his policies, and his impact on Russia and the world.

Putin Country is a must-read for anyone who wants to understand Russia today. Whipple's book is a fascinating and informative look at a country that is both familiar and foreign, both alluring and frustrating. It is a book that will stay with you long after you finish reading it.

Praise for Putin Country

"A must-read for anyone who wants to understand Russia today. Whipple's book is a fascinating and informative look at a country that is both familiar and foreign, both alluring and frustrating." - The New York Times

"Putin Country is a deeply researched and insightful look at Russia under Vladimir Putin. Whipple provides a nuanced and balanced portrait of a complex and fascinating leader." - The Washington Post

"A must-read for anyone interested in Russia or international affairs. Whipple's book is a well-written and thought-provoking look at one of the most important countries in the world." - The Economist

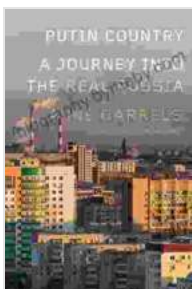

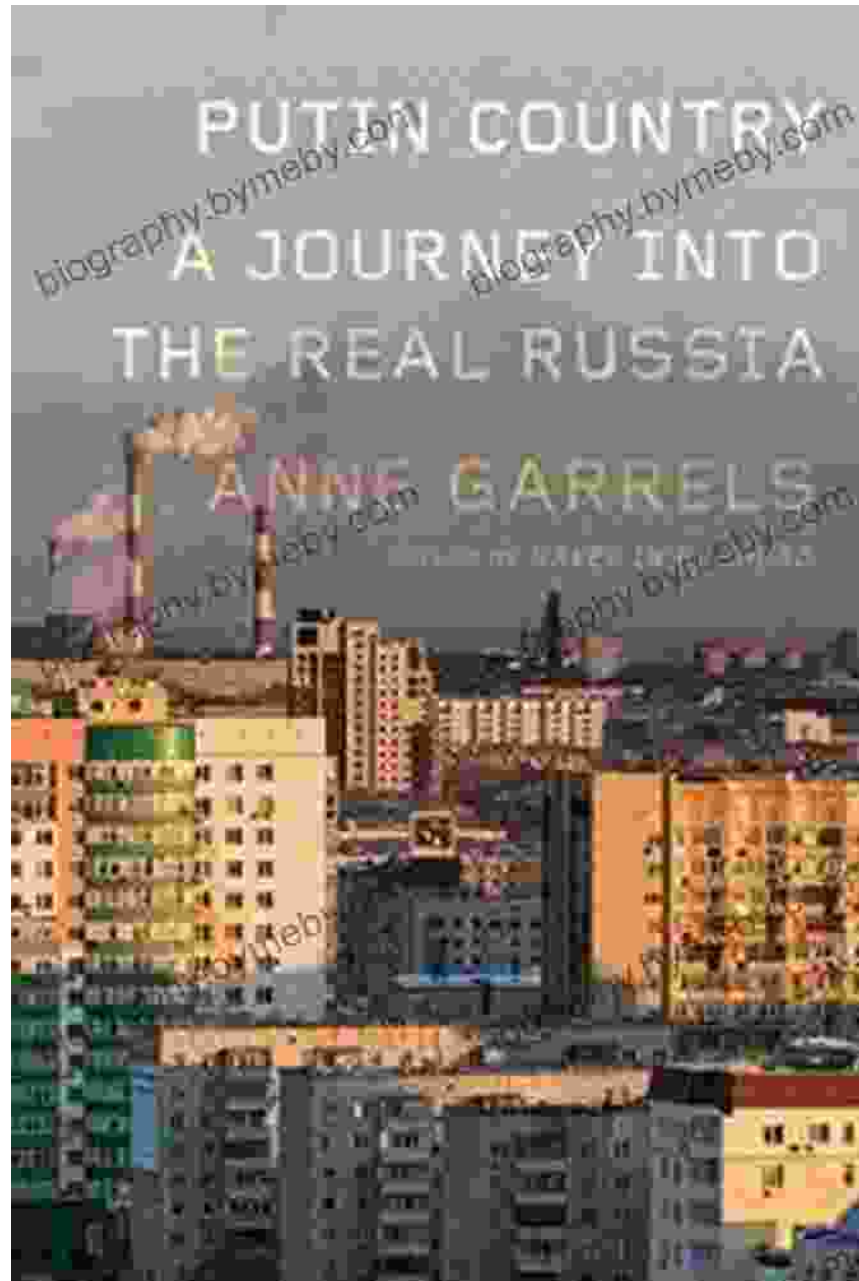

About the Author

Chris Whipple is a veteran journalist and author. He is the author of several books, including *The Gatekeepers: How the White House Chiefs of Staff Define Every Presidency* and *The Spy Who Changed the World: How a KGB Operative Risked His Life to Save America*.

Whipple is a frequent contributor to The New York Times, The Washington Post, and The Atlantic. He is also a regular guest on CNN, MSNBC, and Fox News.
