In the world of espionage, nothing is as it seems. And when a boy is sent to infiltrate an all-girls school, he finds himself in the middle of a dangerous game.

Alex is a young spy who is sent to infiltrate the prestigious St. Joan's Academy for Girls. His mission is to gather intelligence on a group of students who are suspected of being involved in a terrorist plot. But Alex quickly learns that St. Joan's is not what it seems.

The school is a hotbed of intrigue and danger. The students are all beautiful and intelligent, but they are also deadly. Alex must use all of his skills to survive and complete his mission.

As Alex gets closer to the truth, he finds himself falling for one of the students, Anya. But Anya is not who she seems. She is a double agent who is working for the terrorists.

Alex must now choose between his duty and his heart. He must stop the terrorists, but he cannot bear the thought of betraying Anya.

Spy Among The Girls is a thrilling and suspenseful novel that will keep you on the edge of your seat from beginning to end.
