

# Stargazer: A Thrilling Western Mystery from Anne Hillerman's Acclaimed Leaphorn, Chee, and Manuelito Series

## Synopsis

In Anne Hillerman's captivating novel *Stargazer*, Navajo Tribal Police Officer Bernadette Manuelito finds herself drawn into a web of mystery and danger when a prominent astronomer is found murdered at a remote stargazing site.

As Manuelito investigates the crime, she uncovers a complex network of rivalries and secrets among the scientists and researchers who inhabit the secluded observatory. Suspicions fall on everyone from the brilliant but troubled astrophysicist to the reclusive janitor, leaving Manuelito to untangle the truth amidst a star-studded backdrop.

### Key Features

- **Intriguing mystery:** A murder in a remote scientific community sets the stage for a gripping investigation filled with twists and turns.
- **Unforgettable characters:** Bernadette Manuelito is a strong and resourceful protagonist, navigating the complexities of human relationships in a world often driven by logic and reason.

- **Atmospheric setting:** The stark beauty of the Arizona desert and the eerie silence of the stargazing site create an unforgettable atmosphere that immerses readers in the story.
- **Cultural insights:** Hillerman seamlessly weaves elements of Navajo culture and tradition into the narrative, offering a glimpse into a vibrant and often misunderstood world.

## Why Read Stargazer?

Stargazer is a must-read for fans of Western mysteries, Native American literature, and anyone who loves a well-crafted mystery with a thought-provoking backdrop. Hillerman's evocative writing style and her deep understanding of the Navajo culture make this novel both compelling and enlightening.

If you're looking for a book that will keep you on the edge of your seat while offering a glimpse into a fascinating world, then Stargazer is the perfect choice for you.

## About the Author

Anne Hillerman is an award-winning author and the daughter of the late Tony Hillerman, the legendary creator of the Leaphorn, Chee, and Manuelito series. She has carried on her father's legacy with great skill, bringing a fresh perspective and her own unique voice to the characters and themes that have captivated readers for decades.

## Reviews

"A gripping mystery with an unforgettable protagonist. Hillerman has a gift for creating characters that stay with you long after you finish the book." -

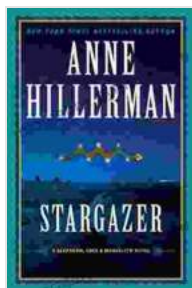

Publishers Weekly

"Stargazer is a thought-provoking and atmospheric mystery that shines a light on both the beauty and the darkness of human nature. Highly recommended!" - Library Journal

"Anne Hillerman has crafted a compelling and culturally rich Western mystery that will appeal to both longtime fans of the series and newcomers alike." - Kirkus Reviews
