Clive Cussler and Dirk Cussler's 1996 historical novel *Titanic* is a gripping tale of the RMS *Titanic*'s sinking in 1912. The book follows the lives of several characters as they board the ship and set sail for New York City. As the ship sails through the Atlantic Ocean, the passengers and crew begin to experience strange and unsettling events.

*Titanic* is a well-researched and accurate account of the sinking of the RMS *Titanic*. The book provides a detailed and vivid description of the ship, its passengers, and its crew. Cussler and Cussler also do an excellent job of capturing the atmosphere of the time period. The novel is filled with suspense and excitement, and it is sure to keep readers on the edge of their seats.

*Titanic* is a must-read for anyone interested in the history of the RMS *Titanic*. The book is also a great choice for fans of historical fiction and suspense novels. If you are looking for a book that will both entertain and inform you, then *Titanic* is the perfect choice for you.

## **Characters**

*Titanic* features a large cast of characters, each with their own unique story. The main characters include:

- John Ross: A private investigator who is hired to find a missing diamond necklace.
- Dirk Pitt: A marine engineer who is called in to investigate the strange events that are happening on the Titanic.
- Al Giordino: A mobster who is trying to steal the diamond necklace.
- Isabella Paradine: A beautiful woman who is caught in the middle of the conflict between Pitt and Giordino.

## **Setting**

Titanic is set on the RMS Titanic as it sails from Southampton, England to New York City. The book provides a detailed and vivid description of the ship, its passengers, and its crew. The novel also captures the atmosphere of the time period, which was a time of great excitement and anticipation.

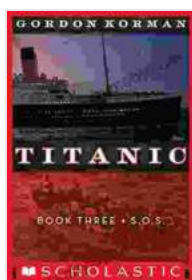

## **Themes**

Titanic explores several themes, including:

- The hubris of man: The RMS Titanic was the largest and most luxurious ship ever built. Its passengers and crew believed that it was unsinkable. However, the ship's sinking proved that even the most technologically advanced creations of man are not immune to disaster.
- The power of nature: The RMS Titanic was sunk by an iceberg. The iceberg was a reminder of the power of nature and the fragility of human life.
- The importance of family and friends: The RMS Titanic sinking claimed the lives of over 1,500 people. Many of these people were families and

friends. The novel shows the importance of family and friends and the devastating impact that their loss can have.

Titanic is a well-written and suspenseful novel that is sure to keep readers on the edge of their seats. The book is also a must-read for anyone interested in the history of the RMS Titanic. If you are looking for a book that will both entertain and inform you, then Titanic is the perfect choice for you.
