A Journey to the Edge of the World

Step into the shoes of Lena Grigorieva, a young Russian woman who uncovers a journal that transports her back to the 19th century. She unravels the tale of Captain Johann Otto von Krusenstern, a renowned explorer who set out on a daring expedition to the Arctic Circle.

Driven by unwavering determination and a thirst for discovery, Krusenstern's crew ventured into uncharted waters, navigating treacherous ice floes and enduring extreme cold. Their mission: to explore the vast

expanse of the Arctic Ocean and search for the legendary Northwest Passage.

Unveiling Hidden Truths

As Lena delves deeper into Krusenstern's journal, she unearths hidden truths that challenge the accepted narrative of his expedition. She

discovers tales of ambition, treachery, and the enduring power of human resilience.

Bonesteel masterfully interweaves Lena's present-day journey with the historical account of Krusenstern's voyage. Through Lena's eyes, we witness the forgotten sacrifices and triumphs of those who braved the Arctic's unforgiving embrace.
